**UPCOMING "Eliminating Debt Forever/Financial Stability"  
Blueprints: Planning For Special Needs Families Workshop**

Part of Cascade Investment Group's Financial Education Series

Rob Wrubel's first book, ***Protect Your Family: Life Insurance Basics For Special Needs Planning*** is Building Block #7 in his financial planning process called **Blueprints**, created to help families with a special needs member.

There are **nine** Building Blocks and Rob will discuss each one on a monthly basis. Each Building Block is self-contained so you can attend only the workshops that are of interest to you.

This month, Rob will introduce Building Blocks #5 and #6—**"Eliminating Debt Forever/Financial Stability"**.

**Blueprints shows you how to build a strong financial life. This cannot happen when you have debt and don't have savings. Building Blocks #5 and #6 give you the tools to get out of debt and stay out of debt.**

The workshop is free, but registration is required. Seating is limited. Register today!
