

EMERGENCY MANAGEMENT PROGRAM

Through outreach and partnerships with various government and community based organizations, this program provides:

- Guidance for people with access and functional emergency needs
- Preparedness training
- Advice for government planners
- Execution of grants for people with disabilities during emergencies

ARE YOU PREPARED FOR AN EMERGENCY?

If you want to become better prepared in case of emergency or disaster, attend one of our Personal Emergency Preparedness training workshops. Email emergencypreparedness@the-ic.org to find out when the next workshop will be.

GET INVOLVED

Here are three opportunities for yourself and your community:

- Host an Emergency Preparedness or Personal Emergency Preparedness Training Workshop
- Join the Core Advisory Group (CAG), comprised of people with varying disabilities and organizations who work with the local Office of Emergency Manager and The IC's Emergency Program Coordinator to advance emergency preparedness for our community
- Be an actor in your community's next emergency disaster exercise
